

A Note of Thanks

from Representative Dave Murzin

Dear Neighbors,

Happy Thanksgiving! I am grateful that I have had the privilege of serving all of you here in Northwest Florida. Thanksgiving is a great time to help us remember to appreciate those people and things that are most special in our lives. I would like to take this opportunity to do just that.

My son is a precious treasure and I thank God for putting him in my life. After a hard day's work, there is nothing better than a hug from your child to lighten the load that I am sure most of us feel just from daily routine. Looking at the world through a child's eyes can often freshen your perspective.

I am thankful for all of you. You have reelected me to this office four times now, and I thank you for that honor as I serve in the House of Representatives. I do my best to respond to each of you. Please know that I value your stance on the issues, and I take each one into consideration. I take my job as a Representative of the people seriously. The important thing in maintaining the principles of Freedom is for its citizens to stay informed and stay involved. Thank you for caring about our Country and keeping me and other Representatives accountable to the standards of Liberty.

Let's continue to support our military personnel who fight so very hard and who risk their lives so we can celebrate our traditions and freedoms. The men and women of the Armed Forces in Florida, in the United States, and overseas, have sacrificed so much. Without the military to defend us, we

would not live in such a peaceful and free Nation. My staff and I like to show encouragement to our troops through prayer and through doing what we can when they are stationed far away from their families in the midst of war. Sending them care packages is one small part we can play to accomplish this. Please see the included information and show your thankfulness to the soldiers by sending them some items to make their situation a bit more comfortable.

Well wishes to you, your family, and your friends! Please enjoy another holiday of being together.

With Regards,

Representative Dave Murzin
